The following from Wednesday's Int. Mountain Republican referring to the contest which will come off to-night between the Apollo's and the Y. M. C. A. team at the latter's gymnasium shows somewhat the standing our boys have won in their numerous victories:  
"Saturday night the long waited for basketball match between the American Fork team and the local Y. M. C. A. team will take place. There is perhaps more rivalry between these teams than any other organizations in the state. The American Fork team is confident of winning the game, and if the Association boys play the remarkable game against them that they did against the L. D. It's a pleasure to tell our readers about a cough cure like Dr. Shoop's. For years Dr. Shoop's has fought against the use of opium, chloroform or other unsafe ingredients commonly found in cough remedies. Dr. Shoop's, it seems has welcomed the Pure Food and Drug Law recently enacted, for he has worked along similar lines for years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by American Fork Drug Co.

**PRESCRIPTION WORK**  
Is undoubtedly one of the most important branches of the drug trade. If a prescription is filled inaccurately or from inferior drugs, the results hoped for by your physician will not appear.  
When the Doctor writes down the name of a drug or medicine together with the correct proportion there should be no doubt about the compounding of the same.  
When you bring a prescription here you may rest assured that just what the Doctor calls for you will surely receive.
